# COLLEGE GIRLS

**PLAYBOY PRESS**

**BRITTANIE DANIELS**  
**York University**

A Toronto high school honors graduate, Venus Swimwear calendar girl and budding film actress, Brittanie describes herself as "very clumsy, sweet, sarcastic and adventurous." She's drawn to men who make her laugh and avoids the moody type.

**LOCK HAVEN**  
UNIVERSITY

**BRITT MORRIS**  
Lock Haven University

Growing up in a small town (Philipsburg, PA, population 3048), entertainment was of the all-American variety. "We had baseball fever. My grandfather pitched in the minors and my mother worked for major-league baseball. We love the game."

**TONDRA BEEKMAN**  
**Greensboro College**

"As a kid I was a wild child. My mom used to say she could wallpaper the house with the notes that got sent home from school." These days the former toddler terrorist has settled down and hopes to land a job as a CPA at a top firm.

# HOUSTON™

## ALEXANDRA McCARTHY University of Houston

How did a New Hampshire girl end up deep in the heart of Texas? "Because U of H accepted me." Now in her junior year, Alexandra is turned on by "green lights and cold beer." She's turned off by "red lights and brown pantyhose."

**KATE WILLIS**  
**Ohio State University**

"I was kind of dorky in elementary and middle schools. Now I'm laid-back, easy to talk to—and I hope less dorky!" A romantic evening would include bedsheets sprinkled with rose petals, snuggling with her boyfriend and watching movies.

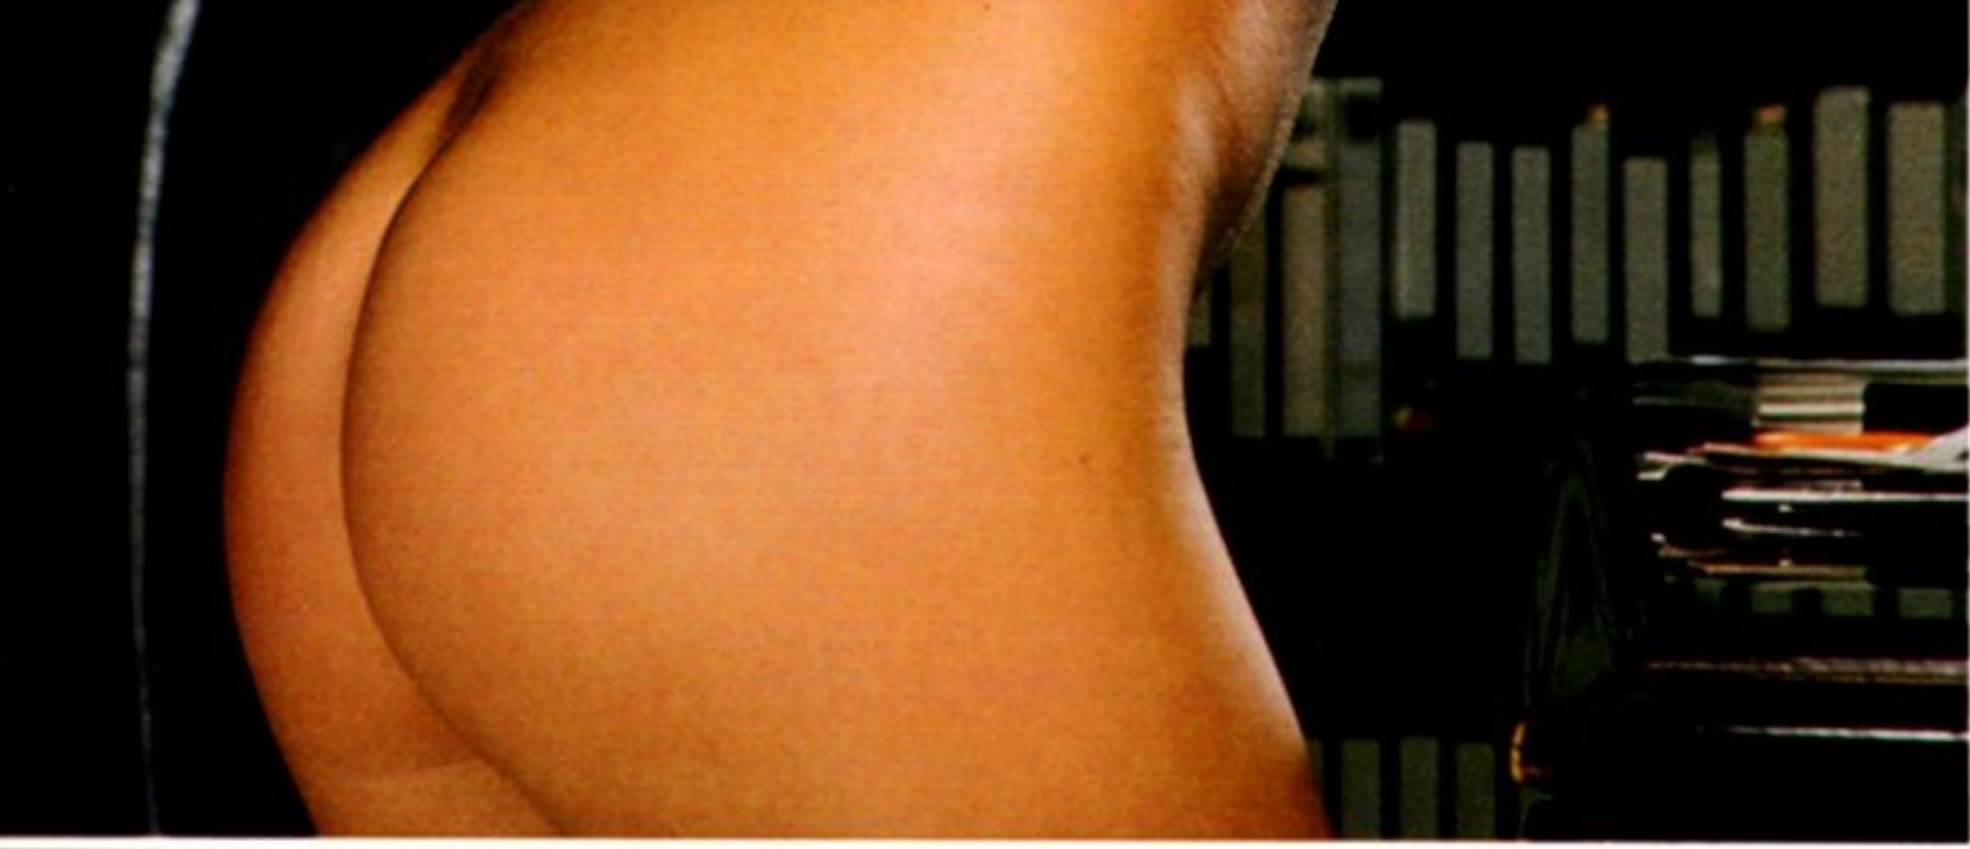

**APRIL MORGAN**  
**Cambrian College**

"What would I change about myself?" our cover girl wondered. "Nothing. I've made it this far with what I've got, so why change anything now?" Well, maybe one thing. April admitted that if she could be invisible for a day, she'd "break into my college computer system and give myself a 4.0 GPA!" Vital stats: 5'8", 115 lbs., 34-24-34.

**JODI VALDES**

**California State University, Long Beach**

She selected speech communication as a major with an acting career in mind "so when the Emmys come I can have a well-written speech." Vital stats: 5'7", 111 lbs., 34-27-36.

# The Big Ten

Rough, tough football, nitty-gritty basketball and an enormous pool of beautiful campus coeds are the hallmarks of this powerhouse college conference. The fact that the schools number 11, not ten, speaks to the adherence to tradition, not to any lack of mathematical acumen. PLAYBOY paid a visit to the Big Ten in October 1991 just after it had welcomed its 11th sister, Penn State, and returned for another look last fall. The tryout turnout was impressive: more than 675 coeds auditioned—including about 100 each from Indiana and Michigan. Here's a second glance at the first-string team.

**CAROLYN COOK**  
**W.R. Harper College**

**HARPER**

like daughter." Vital stats: 5'6",  
115 lbs., 34-25-35.**

**ROSA-LYN MONTERROSO**  
**Palomar College**

On a date Rosa-Lyn never tells everything about herself, but she'll always hold the lucky fellow's hand. A perfect evening? "Lots of soft music with a man who is willing to please me."

**KELLIE JO RINEHART**  
**New York University**

No rah-rah-sis-boom-bah attitude from this post-grad. She likes sports best in "the off season"—that is, not at all. She prefers walking her two bulldogs, baking and traveling. Her sights are set on a career in psychotherapy. Vital stats: 5'6", 110 lbs., 34-24-35.

**TURA HEDGES**  
**Oklahoma State**

"I was a tomboy most of my childhood. I always wore jeans, a football jersey and cowboy boots. I loved to fish, ride my pony and fill my dog's mouth with sand from my sandbox. Life was great!"

**NICHOLE RENEE**  
**U of Southern California**

Ambitious, motivated, organized, independent and affectionate sum up this USC junior. "I never want to be too weak to depend on a man, or ever be too tough to make a man feel unneeded." Education comes first, "but when it's time to party, I love to get crazy."

**BRANDELIN FREEMAN**  
**Elgin Community College**

"They say you can't have your cake and eat it too—but that's why I carry a fork," this 20-year-old Illinois native told us. She's cracked the books hard enough (here taking a refresher course in Dr. Seuss's ABCs) to make the Who's Who of national scholars and relaxes by "maintaining my black belt in shopping."

**TRACY HANNA**  
**Richard Stockton College**

She's looking forward to a career in advertising, so how would she word a personal ad about herself? "Intelligent, vibrant, gorgeous woman with a clear path to success." Vital stats: 5'6", 115 lbs., 34-24-34.

 **STOCKTON**  
COLLEGE

**JESSICA TEAL**  
**New York University**

She claims she hasn't had many dates, but on those rare occasions she always takes them home "to see if my dog approves." Most of her free time is spent playing soccer, basketball, rock climbing or skiing. Vital stats: 5'5", 110 lbs., 34-24-33.

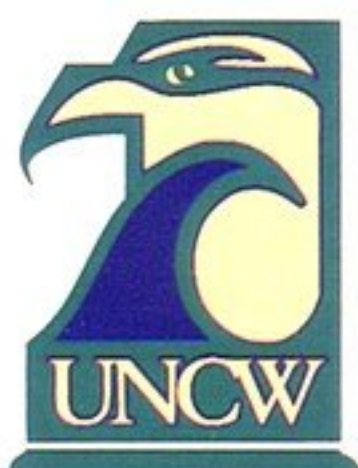

**CYNTHIA BRIDGES**  
**U of North Carolina**  
**at Wilmington**

Adjusting to university life was a snap for this senior. "I spent five years in the Marine Corps. College is like a vacation." She maintains a 3.76 GPA while dating once or twice a week "to unwind from the stress." Some in-bed turn-ons? Soft hands and confidence. Turnoffs? Calluses, fumbling and "five-minute wonders."

**ALISON KUGEL**  
**C.W. Post College**

"I don't usually get into the guy that everyone wants. I like men who use their minds, because it's the thinker who's always full of surprises." Allison admits to surprising herself by appearing in this issue. "Wow, I can't believe I'm doing this. Is this really happening?"

**SABRINA OLIVEIRA**  
**New Hampshire Tech**

One of 12 brothers and sisters from the Portuguese island of San Miguel, Sabrina says her turn-ons include Calvin Klein boxers and men who cook naked. Turnoffs? Old men in Speedos and old men who cook naked.

MELISSA McCARTNEY  
Villanova

The adjustment to being away from home was easy for her: "I never sleep alone." But that was only after a selective and tiring dating process led her to "the one who satisfies me all the time." She likes to set and achieve challenging goals and considers herself "slightly mysterious with a playful twist." Vital stats: 5'6", 120 lbs., 34-25-32.

**MICHELE WOODBURY**  
Harvard

"This is for all my friends in high school. I promised them that if I got into Harvard I would pose for a college issue of PLAYBOY." Promises made, promises kept. Vital stats: 6'1", 140 lbs., 36-27-36.

**SOPHIA ARDEN**  
**Hunter College**

Her academic credentials: National Honor Society, dean's list, summa cum laude graduate. She's no stuffy egghead, though. She describes herself as "honest, sweet, and funny—with an angelic face on a sinful body."

**CHRISTINE MCKADEN**  
**Central Florida**

Her studies come first, but when she closes the books she likes to spend her time with an intelligent, funny, creative man. In-bed turn-ons? Crisp, clean sheets, lots of candles and having her toes painted. Turnoff? Alarm clocks.
